

KELLIE TOMNEY

HIGH IMPACT SPEAKER

CONCISE INTRO

Kellie Tomney has futureproofed thousands of organisations & leaders globally.

After an award-winning corporate career, Kellie is now a global thought leader & an international best-selling author.

Kellie is a Future of Work expert. She is in the top 5 for Business Leadership in Australia & in the Top 20 for Careers in the US.

Being an HR Awards judge since 2011, Kellie is across the best.

She is ignited by leveraging Personal & Leadership Brands, Women in Leadership & Purpose for Positive Impact.

Her thought leadership appears in leading business journals & media.

She is trusted by organisations to design & deliver business expanding, interactive keynotes & workshops that inspire real change, illuminate new ways of working & equip people for the future that are said to be 'life changing'.

Kellie's fresh, strategic & unique framework gets to, & has a transformational impact on, what really matters.

She inspires & delivers high value futureproofing strategies with energy & positive impact, wherever the stage.

*Futureproof Speaking & Workshops
isn't just a career for Kellie - it's her calling.*
